

公司简介 Company Introduction

英威新能源科技（镇江）有限公司主营业务分为两大块分别是太阳能光伏和半导体行业，为很多光伏电池组件企业提供高质量高性价比的石墨舟，板式C/C石墨框以及设备耗材和辅材。同时也给国内知名半导体企业提供外延设备配套产品，MOCVD设备配套辅材，设备治具夹具等非标定制件以及备品备件。

我公司软硬件设施齐全，拥有专业的工程师团队，现代化工厂和几十套精密的数控加工设备，满足客户对产品切削，铣，车，精雕，穿孔等深加工要求。同时我司还拥有IKO导轨滑块，SMC,FESTO,AIRTIC,SIEMENS等品牌的代理经营权。

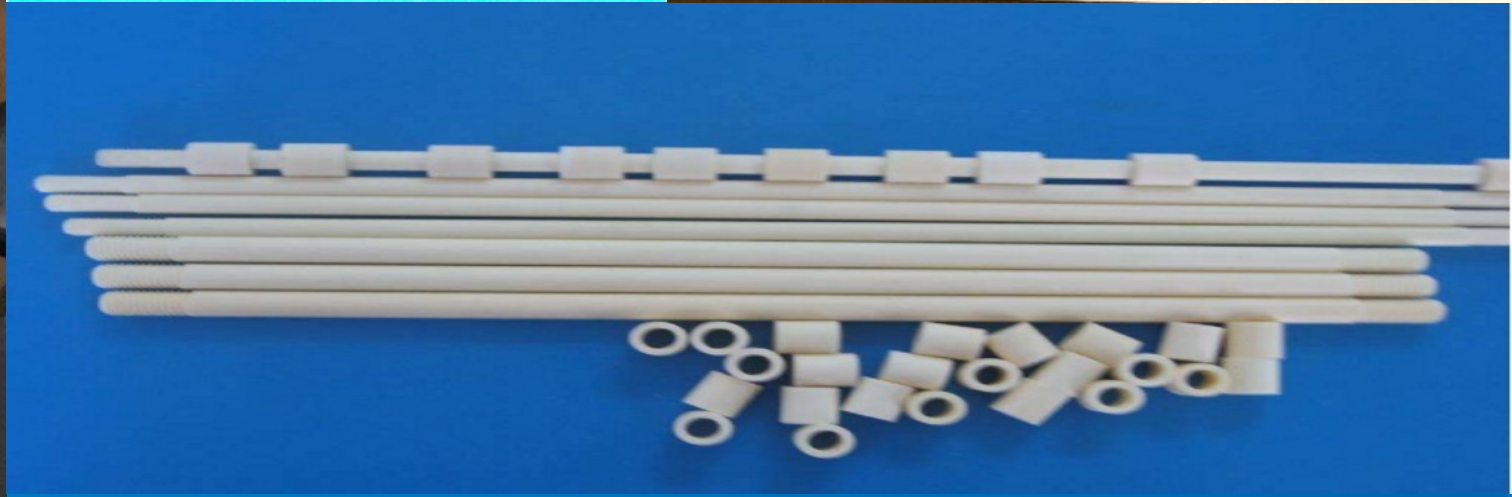

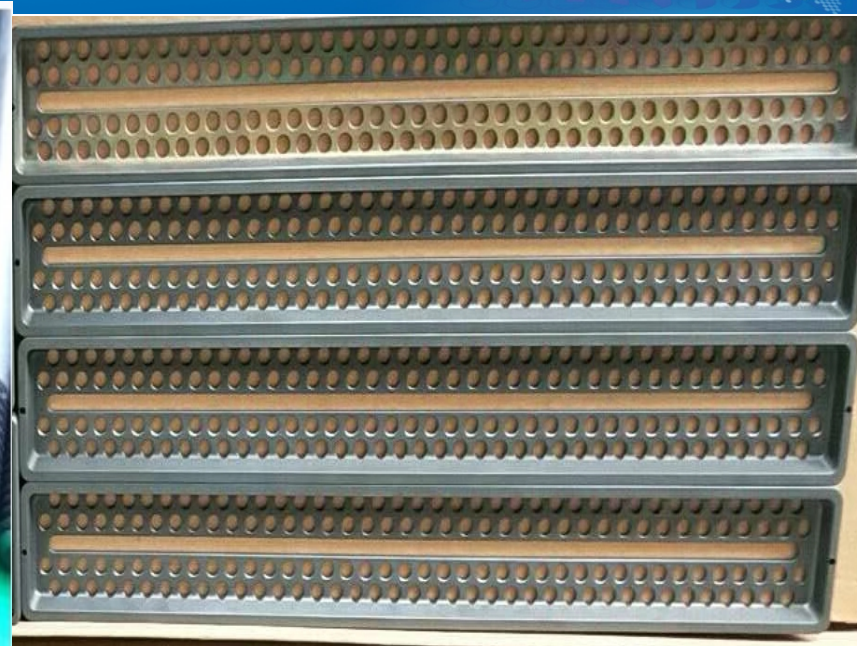

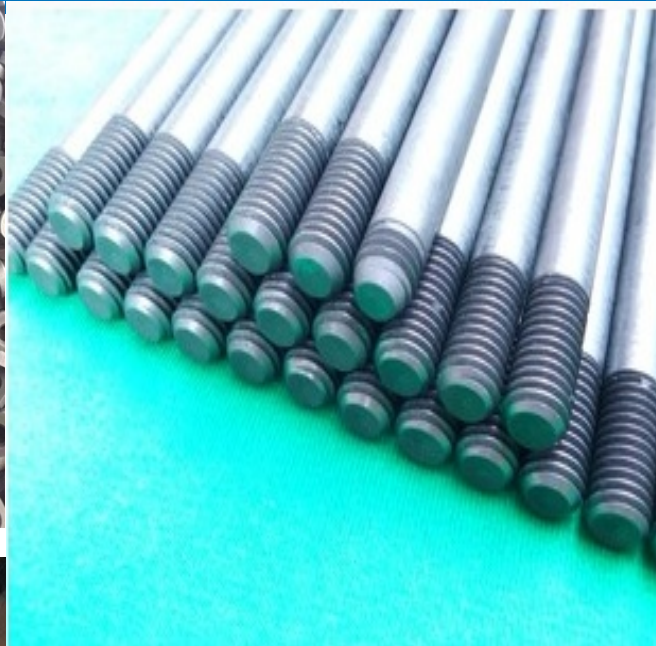

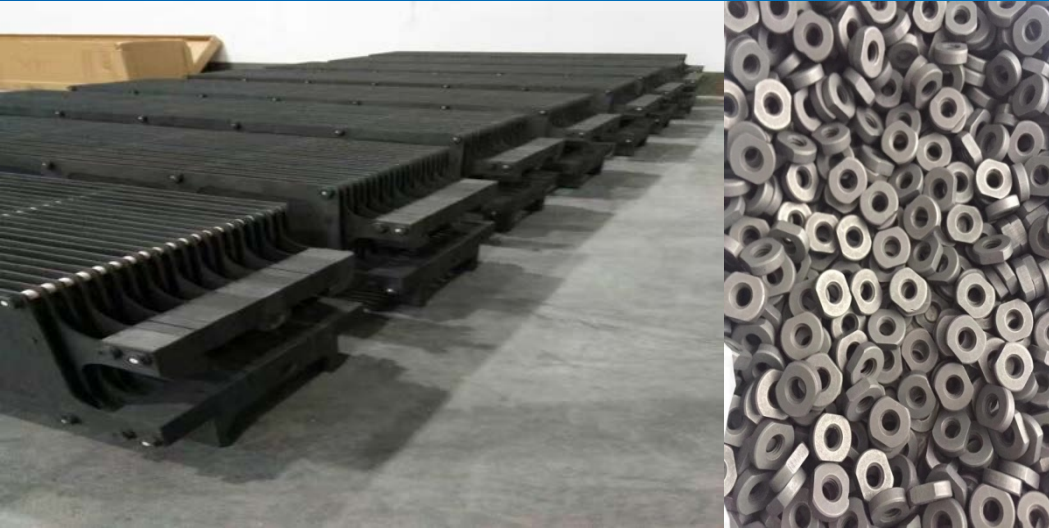

The main business of INWEI NEW ENERGY TECHNOLOGY(ZHEN JIANG) CO., LTD. is divided into two parts: solar photovoltaic industry and semiconductor industry. It provides high quality and cost-effective graphite boat, plate C/C graphite frame, equipment consumables and auxiliary materials for many photovoltaic module enterprises. At the same time, it also provides non-standard parts such as extension equipment accessories, fixtures and spare parts for well known semiconductor enterprises in China.

Our company has complete hardware and software facilities, a professional team of engineers, modern factories and dozens of precision CNC processing equipment, to meet customer requirements for deep processing of products such as cutting, milling, turning, fine carving, piercing, etc. At the same time, our company also owns IKO slider, SMC, FESTO, AIRTIC and other brands of agent management rights.

可抛光或磨砂处理，进口石英砂使用寿命更长，齿距刀片切割，尺寸更精准。

It can be polished or ground. The service life of imported quartz sand is longer, the tooth pitch blade is cut, and the dimension is more precise.

未来展望

Prospects for the future

With the unremitting efforts of all employees, the company's performance continues to grow steadily, product design and marketing strategies are constantly innovating, and after-sales service network is constantly improving. In the future, our company will continue to expand its business in the photovoltaic industry and semiconductor industry, while extending its business overseas, constantly optimizing product quality and striving to become a first-class brand.

在全体员工的不懈努力之下，公司业绩持续稳定的增长，产品设计和营销策略在不断创新，售后服务网路在不断完善，未来我们公司会在光伏行业和半导体行业继续扩展业务，同时将业务延伸到海外，不断优化产品质量，争做一流品牌。
